Demo Reel Breakdown:

1. Loft – Everything except the backplate, modeling of the green chairs, spiral lamp and glass tables.
2. Bedroom – CGTalk lighting challenge. Modeled by David Vacek; Everything else by me.
3. Alley – I was responsible for everything.
4. Golf Cart – Golf Cart and Bag modeled by Saikiran Boberoi Shaik. Everything else by me. Used Maya Fur for the grass.
5. Vases – I was responsible for everything.

Everything was rendered in Mental Ray with Maya 2010. Compositing was done in After Effects.
